## **PLANNING**

Cibo Wine Bar is proud of its unique facilities, excellent service and exquisite cuisine. From the planning process through to the event finale, our staff of experienced professionals will ensure that every detail is considered with great care and attention to make your event a success. The following information is provided to assist you in the planning process.

## **MENU SELECTIONS**

Please find enclosed a selection of group menus that we've designed specifically for larger parties. We provide more of a family style of service, meaning that some plates are designed to be shared between people. Because of this style of service the number of orders per item served will vary depending on the number of guests in your party.

These menus have been specifically designed to provide a nice balance of items to ensure that you and your guests experience the absolute best variety of what Cibo Wine Bar has to offer. It is much easier and highly recommended for larger dinner parties to pre-arrange a menu.

Please note that the items on the menu may be substituted and will need to be confirmed by the coordinator. Pricing would change depending on your specific requests. Also note that our menus are subject to change.
